Sir,

FYI, Ms. Marvene had a request of you for future usage on your SOW if you could please read below, thanks!

The coversheet and WAF correctly state the USACE Engineer Research and Development Center will perform the work (ERDC). The reference to the USACE Mississippi Valley Division (which is an entirely different USACE organization) on page 1 of the SOW (Paragraph 1.0 Purpose) should be deleted (pen & ink change is fine with me).

Thanks!

Signed San Jacinto PDF to be mailed.

Ma'am,

Attached is the San Jacinto WAF TO (03) we discussed about yesterday. I will mail in a couple of days (if you need the original). I just wanted you to have PDF version to get the process going for the USACE. I appreciate your time and support yesterday! Thank you very much.

Very Respectfully,
